

**DEPARTMENT OF CORRECTIONS**  
**EARLY RELEASE OF PRISONERS**  
**SENATE INVESTIGATION**

---

**WHAT IS ASSESSMENTS.COM**  
**AND WHO IS SEAN HOSMAN?**

# WHAT IS ASSESSMENTS.COM?

## Assessments.com –

- Contractor Secretary Warner insisted on for the STRONG-R project
- Originally brought in under Secretary Clark for second phase of the OMNI project
- Assigned a community corrections case management system that would interface with OMNI
- Plagued by poor quality and incomplete work

# ASSESSMENTS.COM: POOR QUALITY, BAD CODE

---

## Former CIO Kit Bail:

- ❖ Described their poor quality of work from 2005 to 2011. 
- ❖ Even the maintenance contract useless 

## Former CIO Doug Hoffer:

- ❖ Described difficulty in reaching them, poor quality 

## Former Acting CIO Peter Jekel

- ❖ Informed Secretary Warner they wrote bad code 

*“They were **consistently over-budget**, under-delivered, and what they did deliver was **pretty poor quality**.”*

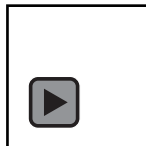

*“They were at times **not the greatest vendor to work with**... not always able to fix defects... **not always fixed right**... it was not a good situation.”*

*“I guess the easiest way to say it is **they wrote bad code**... I related that to Secretary Warner.”*

# SEAN HOSMAN ASSESSMENTS.COM CEO

Secretary Warner insisted on bringing Assessments.com back.

Former CIO Kit Bail on why she described Mr. Hosman as a crook...

"He's a crook and Bernie brought him back." –  
Former CIO Kit Bail

Multiple arrests include:

- ✓ drunk driving,
- ✓ cocaine possession,
- ✓ resisting arrest

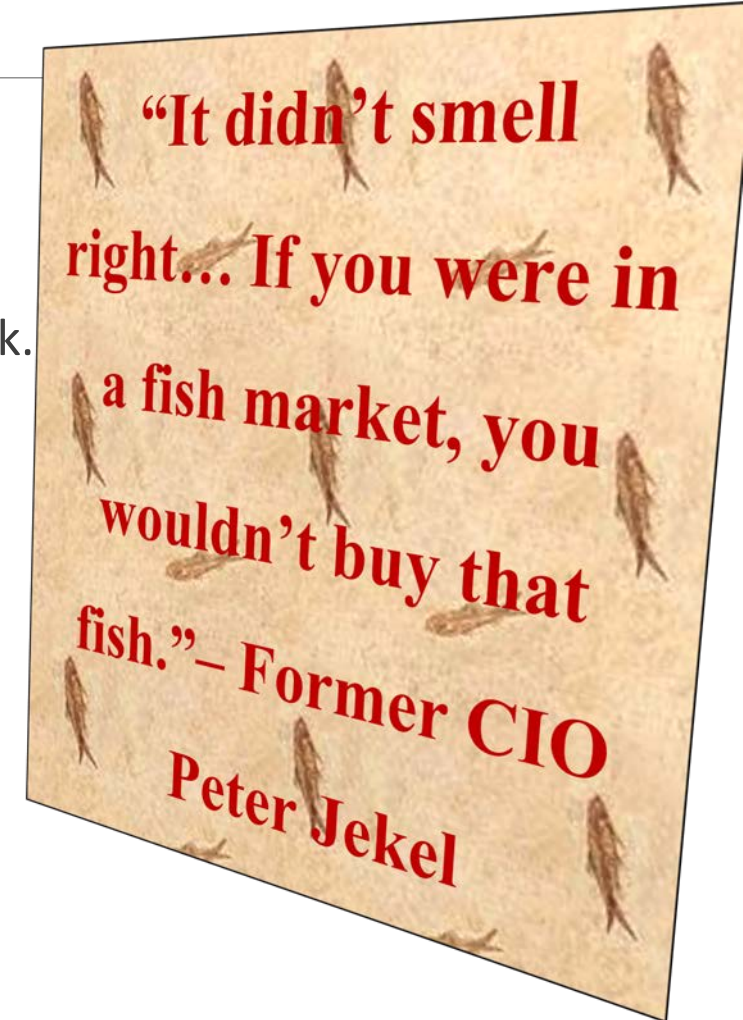

# ASSESSMENTS.COM

## Former Acting CIO Peter Jekel

- Opposed Warner desire for sole source contract 
- Questioned why Assessments.com would be considered for future work. 

## Former CIO Ira Feuer

- Assessments.com still producing substandard work
- DOC going back to day one to reassess contract

# ASSESSMENTS.COM AND THE KING FIX

- ✓ Dampened morale
- ✓ Increased employee turnover
- ✓ Created atmosphere of dysfunction

**Former CIO Kit Bail:**

***“I think it created an atmosphere that reduced the effectiveness of any governance that remained... and that governance would have been focused on making sure work was done as it should have been.”***  
**– Former CIO Kit Bail**
